

## REGISTERING YOUR PRODUCT ONLINE

The moment we have completed our installation, and handed over the system, fully operational,  
As the End User, **you** must register this product, personally.

### To do so (using your smart phone):

1. Open up a QR barcode reader (\*).
2. Scan the QR code, as shown below – fitted on the side of your cylinder.
3. This will automatically redirect you to the Joule UK website, which will allow you to enter all your details, and register online with them.

\*If you do not have a QR bar code reader 'App' currently on your phone:

A) For **Android phones**, go to the **Google Play Store**, and search for: **QR Code Reader**.

The search result should show you a list of potentially suited search results.  
Chose one of the top 8 programs offered (providing they are free)

B) For **Apple phones**, go to the **App Store**, search for: **QR Code Reader**.

The search result should show you a list of potentially suited search results.  
Chose one of the top 8 programs offered (providing they are free)
